ANSWER

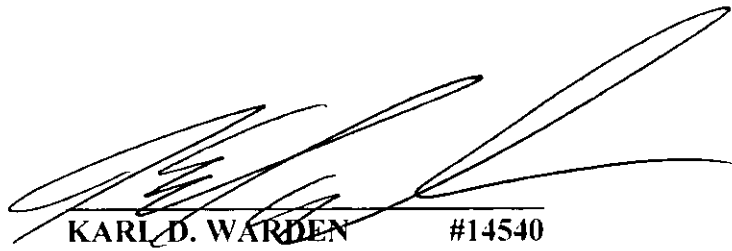

Comes now Jewel Tinnon, by and through counsel, and makes her Answer to the Petition of Kim and Terry Patrick for a conservatorship over her person and property.

Ms. Tinnon objects to a conservatorship over her person and her property. That being said, Ms. Tinnon did have a discussion with Dr. D'Amico and is aware that there is a likelihood that the Court may determine that she is in need of a conservator over her person and property. Ms. Tinnon wants this Court to be aware that she additionally objects to the Petitioners as Conservators over her person or her property.

Additionally, Ms. Tinnon does not wish to burden her friends with having complete care over her person and property and desires that, should this Court appoint a conservator, the conservator should be well qualified to take care of her and her needs. She feels it is important for this Court to note that she is currently receiving benefits under Medicaid and that having someone well versed in Medicaid issues as her Conservator is desirable.

Under the circumstances, Ms. Tinnon asks this Court, should it choose to appoint a Conservator, that this Court appoint her Niece, Margie Inman, RN, or the Greater Nashville Regional Counsel as her Conservator.

Respectfully submitted,
